Due to the capacity limits of our facility as determined by the Fire Marshall, we are ONLY capable of accommodating 50 participants and spectators in the bleachers in the gymnastics facility during class times. All gymnasts must be dropped off on the bleachers at the beginning of their class and must remain seated on the bleachers until their classes are called to begin. Parents will be required to exit the gymnastics facility and lobby due to fire code and may return 10 minutes after classes start if they would like to view their child's class. We would highly recommend that parents not watch every class in order to give all parents an opportunity to view a class during a session.

At the end of each class, parents and participants must promptly exit the facility and parking lot in order to accommodate the next classes. Parents of children in the in the Wiggle Worms, Parent and Tot class, are considered participants and are required to take class with their child.
