Mission

Opportunity for children of all ages to build confidence and coordination through movement and exploratory play.

Overview

While there will be some organized activities, children are free to learn and explore at their own pace and on their own time. This group is designed to allow each child to build their coordination and confidence in a play-based environment.

Attire

Children should dress in comfortable clothing, that they can move freely in, no belts and zippers. It is best if hair is pulled back. Children go barefoot, grown-ups may wear socks.

Monthly Cost

\$25/per child, \$5 additional per sibling. Payments due the first Wednesday of each month. Drop-in rate is \$10/per child, \$5 additional per sibling.

Safety

- Section reserved for children two years old and younger.
- The class will primarily consist of learning and playing on the trampoline, Tumbletrak and foam pit. No more than one child on the trampoline at a time.
- The Tumbletrak is a "one-way street," encourage your child to jump with two feet in the direction toward the mat.
- Keep foam blocks in the pit. Be sure the area is clear before jumping.
- Running around free floor space is allowed yet walk to and from one gymnastic apparatus to another.
- Mats around trampoline should be put back into its original position before leaving.

NOTE: Food and drink are not allowed on the gym floor or equipment. Each family is required to sign a Registration Waiver form good for one year.
